TO WHOM SO EVER IT MAY CONCERNED

This is to certify that the building of Freedom International School, of Veerasoudha Trust at CA No. 33, sector 4, HSR Layout, Bengaluru-560102, was built as per the sanction plan approved by the Bengaluru Development Authority, wide LP no. 14/2005-06 dated 31/08/05. The said construction was done with pile foundation and RCC framed structure. The building is provided with sufficient natural light and ventilation. The pitch of the all stairs are of 25 degree which is quite safe and comfortable for students and also ramp and was degree which is quite safe and comfortable for students and also ramp and wash rooms are provided for physically challenged. Building is child friendly and safe. Electrical and allied installations are provided with necessary safety measures. All above mentioned works were carried out as per the safety norms prescribed by National Building Code and were executed under my supervision.
